

INFORMATION DISCLOSURE STATEMENT

A search report on the United Kingdom application on which priority is claimed herein cited EP 0659465, WO 92/19361, and US 4954320. A copy of the search report is submitted herewith. All documents cited in the British search report are listed in the required manner on the accompanying substitute form PTO-1449 so as to facilitate the examiner in making them of record, and copies of the non-U.S. patent documents listed thereon are submitted herewith.

Also listed on the substitute form PTO-1449 are the documents cited in the specification of the present application. Copies of all non-U.S. patent documents listed thereon are submitted herewith.

Four of the citations submitted herewith are not in the English language: EP 0659465; DE 19510804; JP 6106025; and FR 0132166. The requirement for a concise explanation of relevance is satisfied for EP 0659465 by submitting the English language search report which indicates the degree of relevance found by the foreign office. The discussions in the specification of the three remaining non-English language documents fulfill the requirement for a concise explanation of relevance those documents.

This information disclosure statement is being submitted before issuance of the first Office action on the merits.

All requirements for an information disclosure statement have been met, and it is requested that the submitted documents be considered and made of record.

The Commissioner is hereby authorized to charge any required fees associated with this communication and during the pendency of the application under 37 CFR 1.16 and 37 CFR 1.17 or to credit any overpayment to Deposit Account No. 082670. This sheet is submitted in duplicate.

In view of the foregoing amendments and remarks, applicants submit that the application is in condition for allowance and such action by the Examiner is courteously solicited.

Respectfully submitted,
